

# NOTICE

**To: The Depositors/Creditors of TCI Bank Limited (In Liquidation) (“the Company”)**

As the Company’s Official Liquidator, I advised the Supreme Court on May 2, 2023. that I was going to pay a fourth interim dividend distribution of seven cents (USD\$0.07) on the dollar (USD\$1.00). We are currently in the process of making these distributions by contacting customers in alphabetical order.

For creditors who reside on Islands other than Providenciales and who cannot make private arrangements to have their distributions collected in Providenciales, we will be visiting the other Islands namely Grand Turk and North Caicos for the purpose of making the dividend distribution. The dates and times of these visits will be announced. For those persons who reside outside of the Turks and Caicos Islands, separate arrangements will be made.

If your address has changed since the date of filing your claim for the past three distributions, please contact us at telephone 649-941-7500 or via email address [info@tciblimitedliquidation.com](mailto:info@tciblimitedliquidation.com).
